Once complete, please email this application to info@oathfund.org.

Also, please email a picture of the child you are adopting, if permissible. We would love to pray for him or her!

After we receive your application, we may call you for a brief interview to get to know you better and answer any questions you may have. We would like to walk alongside you through this process, and after your child is home. OATH helps in a limited way with adoption expenses, but trust we are an encouragement to those who are in the adoption process.
